Big Question

What tools can you use to spread the Good News of Jesus all over the world?

The Verse

Colossians 1:6 NLT

This same Good News that came to you is going out all over the world. It is bearing fruit everywhere by changing lives, just as it changed your lives from the day you first heard and understood the truth about God's wonderful grace.

YouVersion Bible Plan

Make sure students know about the Bible App and the Bible Plans that are available for them to read each day.

Icebreaker Question

If you were to make a YouTube video, what would it be about?

Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. Which types of videos do you tend to watch? Why do you like them?
3. If you were going to make a YouTube channel based on what you love to watch, how could your videos point people to Jesus?
4. In **Colossians 1:6 NLT**, we discover that because we have been changed by Jesus, we are supposed to "bear fruit." What does this phrase mean to you? How do you think God wants us to "bear fruit"?
5. Think of something you love doing that you could use to spread the Good News about Jesus. What can you do today that will help you reach this goal?
6. Pray together. Pray that your students would realize the importance of spreading the Gospel to others. Pray they are given vision and clear goals to use their skills and passions to further the Kingdom of God.
