### Icebreaker Question

What's the best thing to eat around a campfire?

### Choose questions for your small group.

1. Who can you ask questions about your faith?
2. Have you ever felt like it wasn't okay to ask questions about God or about being a Christian? What did that feel like?
3. Read **James 1:5 NLT**. How does it make you feel to know that God won't get on to you for asking Him questions?
4. What is one question you would like to ask God?  
*Note: Allow students to respond freely. Don't feel like you need to answer their questions. Just let them speak. Reassure them that sometimes we can't understand every answer, but based on who God is and everything He's done, we can trust He is good, is in control, and that He can even reshape things that were meant for evil back to His good plan.*
5. What are some ways God can give you wisdom?  
*Ideas: He can help you figure things out, He can lead you to someone wise who can teach you, help you learn from a Bible verse, etc.*
6. Think back to today's Survival Skills Quiz. What are some ideas for increasing your score in the "Asking God Questions" section? Or, how can you share what you know about this strength with others?
