Icebreaker Question

What do you think is the most annoying commercial?

The Verse

Ecclesiastes 4:9-10 NLT

Two people are better off than one, for they can help each other succeed. If one person falls, the other can reach out and help. But someone who falls alone is in real trouble.

There is no Bible Plan specific to this week's content. Encourage students to visit www.go2.ic/loopbibleplans to pick out a favorite to read with their friends.

Big Question

Which commercial stood out to you the most?

Choose questions for your small group.

1. Which commercial stood out to you most this week? What makes you pick that one? **Reminder of the main themes:** *Don't forget about the basics of your faith (babies). What distracts you? (Dogs.) Don't wait to start living for God now (you're it). You're a first responder (the coach). Life is better together (friends playing video games).*
2. When can watching videos and commercials be a bad thing? (*When we watch things we shouldn't.*) When can it be a good thing? (*When they point us to God's truth.*)
3. What's one thing you can start to do differently based on one of these messages?
4. Have you ever felt like you were too young to do something that makes a difference? What happened? How can you reframe your perspective and start making a difference now?
5. Talk about a time you felt distracted. What happened? How can you improve your focus on what's important?
6. Take prayer requests and spend time praying together.

Leader Notes/Announcements

*Challenge your 6th grade students to look into **Swerve**.

*Encourage students to do a Bible Plan with friends or family.

*You'll have a lot of new students here for 30-Second Theology. Make sure you spend time getting to know them and helping them feel needed and known.
