### Big Question

Why is friendship important?

### Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. Talk about a time one of your friends let you down or got on your nerves. What did you do to restore your friendship? Or, what *could* you do to restore your friendship?
3. How important do you think forgiveness is to keep friendships strong?
4. Read **Colossians 3:13-14**. Why are Christians expected to forgive others?
5. Have you ever had to ask a friend to forgive you for something? Talk about what happened. What would it be like if no one forgave you when you messed up? *Note: Encourage students to share, and don't allow anyone to be shamed for their mistakes. You can share an age-appropriate story if needed.*
6. If a friend is continually hurting your feelings or disrespectful, should you forgive them? And should you still hang around them? *Ideas: Yes, we must forgive one another. You can let the anger go. But you don't have to hang around someone who is hurting you! It's okay to forgive and move on.*
7. Pray together. Pray that your students would learn to forgive others the way God forgave them.
