Drama (And How to Deal)
Week 3: Family Drama

Icebreaker Question

What do you think your family would be like if you had 100 siblings?

The Verse

Colossians 3:13-14 NLT

Make allowance for each other's faults, and forgive anyone who offends you. Remember, the Lord forgave you, so you must forgive others. Above all, clothe yourselves with love, which binds us all together in perfect harmony.

Drama! (And How to Deal)

Big Question

What kind of issues cause drama in your family?

Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. What are some ways you might add to "drama" in your family? *Ideas: picking on a sibling, complaining about chores, arguing, etc.*
3. Read **Colossians 3:13-14**. What do you think having a more peaceful family life has to do with this verse?
4. What if there's arguing, fussing, or complaining in your house, but you didn't start it? Is it your job to stop it? *Ideas: Probably not, but you can for sure keep from adding to it. And you'll be setting a good example of staying calm and not joining in with bickering.*
5. We saw a funny video about a family where no one really wanted to help out and it made a little drama. How can you help out your family? What do you think would happen if you helped out with a good attitude more often?
6. What else can you do to be a positive influence on your family, even if things feel tense and mostly negative?
7. Pray together. Pray that your students would be a positive influence in their families. Pray for God's love to shine in your students' families.
