ACTIVITY GUIDE

Loop Show Likes You: Donuts
1 Week Only

Who Said It?

Have fun showing students a tangible example of working hard to figure out who's speaking.

Activity Objective

Correctly guess who spoke the phrase you heard while your eyes were closed.

You'll Need

- No additional materials needed

Instructions

1. **Say:** A big part of guarding our hearts is learning to listen, trust, and follow God's voice above every other voice. Let's play a game that's just for fun to show us how hard it can be to pick out a person's voice.
2. All leaders come to the front of your room and stand very close together. **Note:** If your experience is small and you only have two leaders, that's fine! See point 6 for ideas on how you might disguise your voices. Or, choose a couple of students to come up with you.
3. Quickly introduce yourselves to refresh students on what your names are and what your voices sound like.
4. Students **bow heads** and **close eyes**.
5. One leader **says** a phrase from the **Listen List** below.
6. Students **open eyes** and try to guess which leader said the phrase.
7. Repeat steps 4-6 as time allows. Add your own phrases if you'd like! **Try disguising your voices to increase the challenge.** Suggestions: whisper, talk with a much "older" or much "younger" sounding voice, talk with a much higher or lower voice, talk like a parrot, etc.
