God Can Give You Wisdom

Big Question

Is it possible to have too much of a good thing?

Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. Today we saw that 10 beach balls is too much of a good thing for one person. If you had 10 beach balls and chose to share them instead of hoard them for yourself, what do you think would happen?
3. What's something that's hard for you to stop doing once you start? In other words, what's one thing that's hard for you to do in moderation?
4. Read **Proverbs 25:16**. How do you know when you've had enough of a good thing?
5. Guard rails keep go-carters safe! What are some boundaries or rules that keep you safe, healthy, and (even though it might not feel like it in the moment) happy?
6. Where would you like to grow in wisdom the most: Making wise choices, having patience not to rush in and make foolish mistakes, or learning when you've had enough?
7. Pray together. Pray that your students would walk in wisdom every day of their lives. Pray that they would set a great example for everyone around them to follow.
