

YTH CATALOG

FEAR

Hey, Leaders! For the next three weeks we want you to talk about fear in your eGroup. We all have things that scare us, but we don't want those things to stop us from moving into all God has for us. Use the resources in this catalog, pray over your teenagers, and see what God can do through you!

Option 1

- We believe God wants our youth to face their fears so they can live in freedom. That's why we created [this study](#). Follow along and at the end, see how your eGroup can be a part of the #FearNot challenge!

Option 2

- [This study](#) will give your teenagers practical tools to help them find peace in the midst of the fears and anxieties that cripple them.

**Note: Option two is a five-week study. You have the option to simply pick three of the five sessions or to complete the study over the full five weeks. If you complete all five weeks, that's great! You'll just begin using the next catalog two weeks later than everyone else.*

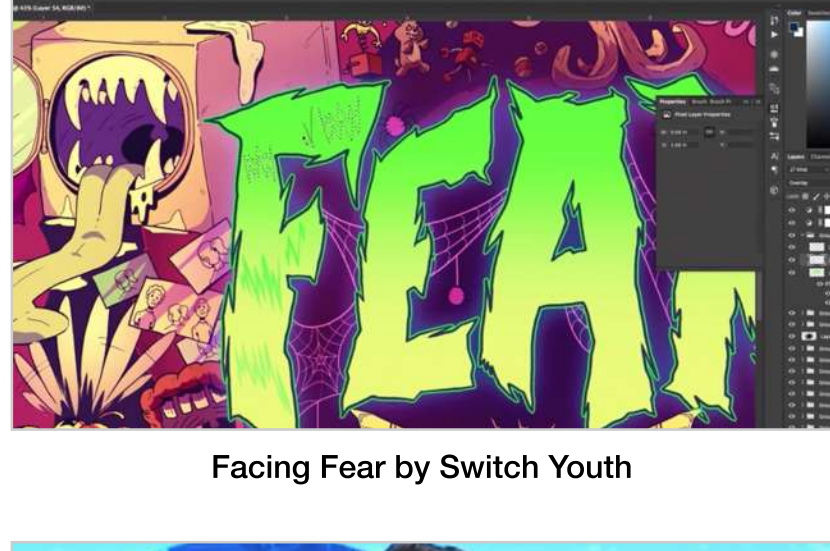

Option 3

- We know nobody preaches like our Pastor, so if you want to have a conversation around the weekend sermon click [here](#). It might not be on the topic of fear, but it's still guaranteed to be fire!
