Icebreaker Question

What's your favorite book?

The Verse

John 21:24-25 NIV

This is the disciple who testifies to these things and who wrote them down. We know that his testimony is true. Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written.

YouVersion Bible Plan

Make sure students check out a Loop Show Bible Plan this week. (There isn't one specifically for this week.)

Big Question

Why is it helpful to read the Bible?

Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. What's one thing you'd like to learn from the Bible?
3. Read **John 21:24-25 NIV**. John wrote about what Jesus did because Jesus had changed his life. If you were going to write a book about Jesus, what might you write?
4. What's your response to today's big question? *Printed above*
5. What could help you to read the Bible more often? *Encourage them to visit www.go2.ic/LoopBiblePlans to find a Bible Plan they can read.*
6. What can you do when you read a portion of the Bible and you just don't understand it? *Ask a trusted adult, write down your question and bring it with you to church to ask a leader, etc.*
7. Pray together. Pray that your students would become hungry to read and learn from the Bible. Pray that they would develop habits to spend time learning what God wants to show them in the Bible every day.

Leader Notes/Announcements

*Promote **Swerve** to your 6th grade students.

*Tell your students about the **YouVersion Bible Plan** and encourage them to complete it together as a group or with their families using Plans with Friends.
